November 15, 2022

CHARLOTTE, N.C., Nov. 15, 2022 (GLOBE NEWSWIRE) -- NN, Inc. (NASDAQ: NNBR), a global diversified industrial company, is pleased to announce that **Steve Heethuis**, Training Director, has been recognized as the 2022 MFG Talent Champion by the Michigan Manufacturers Association (MMA).

Steve was nominated and selected for this honor due to his dedication and expertise in collaborating within the West Michigan region and working to attract talent to the manufacturing industry. Simply put, Michigan manufacturers have both a need and an obligation to attract and train the next generation of manufacturing talent and demonstrate the industry's wide variety of career opportunities. The MFG Talent Champion is selected as a leader in their community who actively works to support these goals.

"Attracting, training, and retaining talent is a critical part of being an employer of choice and supporting American manufacturing," said John Buchan, Executive Vice President, Mobile Solutions and Power Solutions. "Steve epitomizes how communities must work together to help prepare their people for tomorrow's jobs."

Steve was honored Nov. 10 at The MFG Excellence Awards, the annual statewide celebration of the exceptional contributions that Michigan manufacturers make to their communities as well as the manufacturing industry in general. The night featured stories from Michigan's rich history in the manufacturing industry: the companies who are a part of it, and the hundreds of thousands of Michigan residents employed in it.
